"This moment is so much bigger than me."
Halle Berry

Moments carry the momentum of the past and fuel the momentum for the future...

A moment in time...
It's small enough to ignore and big enough to change your life forever

"The period of time during which someone or something exists or an event occurs."

- Blink

A choice moment...

Psalm 37:23 CEV
Genesis 2:15-17 NIV

How could he mess up when he had everything going his way?

Deuteronomy 30:11-14 NLT

"Don't use the fact that you don't know what to do as an excuse, and even think about telling Me that it's too difficult and beyond your ability. All you need to know and to move forward and seize divine moments is right in front of you."

Deuteronomy 30:15-20 NLT

"The Lord is your life."

NOW CHOOSE LIFE!

Defining moments...

Good choice...

Joshua 2:1 NLT
Joshua 2:2-7 NLT
Joshua 2:8-21 NLT
Joshua 6:25 NLT

Where was her family while she was living the life of a prostitute?
Where was her father and mother when she needed guidance and direction?
Why didn't her brothers and sisters rise up to help her from the life of decadence and destruction?
How could the heart of a prostitute that should have long gone cold, still be filled with compassion for the family that seemed not to care about her?
Surely, the only future she was saving was theirs. What kind of future did she have to save anyway?

The moment of truth...

Numbers 13:27-28 NLT
Numbers 13:30 CEV
Numbers 13:31-33 NLT
Joshua 14:7-10 NLT
Joshua 14:11-12 NLT

"I was ready forty five years ago to take the land, but because God's people refused to move forward, it cost me years of my life. I have been wondering in this wilderness because they would not choose to join this great quest. I've been waiting a long time, but my moment has come."

Caleb

Joshua 14:13-14 NLT
