Invisible to visible

Risk

"Who will go? Who will become visible on my behalf?"

### Choosing our colors...

"A bird ranges in size from about two inches to seven feet. Birds can be many colors. Frequently the male is more colorful and the female is drab."

← Harriet Tubman

"The most important decision of our lives will require us to forsake invisibility and risk becoming visible."  
- Erwin McManus

It's in the risk where God shows up...

Everything

What colors am I choosing to wear?  
How could I step up and out with God in some small way this week?  
When was the last time I told God He could have it all?  
When was the last time I asked God to use my life to make a difference?

**No turning back-but dreaming big...**
