A stall tactic

I don't think the uncomfortable feeling is ever going to go away...

Will you advance or retreat?

1Samuel 14:8-12 CEV  
Genesis 12:1-2 NLT

God would give them victory in the battle, but He wouldn't fight their battle for them.

### What's your sign...

"Advance"

"Stay where you are..."

"It just doesn't get any better than this."

"This is the sign we were looking for..."

What kind of sign are you looking for?

Matthew 28:19-20 NLT

YES  
NO

Move lady. It doesn't get any greener than this...

### Just a bit messy...

When you move forward on what you know, things become clearer. When you refuse to act on what you know, all that you do not know paralyzes you...

Point your life in the way it should go and lean forward...  
And one more thing, yes you do have to get off the lift...

Luke 14:16-17 CEV  
Luke 14:20 NIV

I thought how funny, the first two said "I choose not to come," but the one who just got married said, "I'm not allowed to come..."

If our church is full of members, we'll get an occasional missionary. If our church is full of missionaries, the rest is just about geography.

1Samuel 17:48 CEV

Advance...
